New guidelines for dentists in controlling anxiety using responsive sedation (GE), Gillman MA, Lang L, 219

**Attitudes**
Oral health-related knowledge, attitudes and practices of adult patients in Mangauga Metropolitan Municipality, South Africa, Modikoe MM, Reid M, Nel R, 180

**Bite mark analysis**
Bite mark analysis in a case of child abuse, Phillips VM, Avelino D, 452

**Black South Africans**
Applicability of the McNamara analysis in a sample of adult Black South Africans, Wanjau J, Khan MI, Sethusa MPS, 87

**Bone formation**
Inductive surface geometries: beyond morphogens and stem cells, Ripamonti U, Duarte R, 421

**Book review**
How the brain controls all pleasures including sex, food, drugs, rock ‘n roll and others, 243

**Buccal**
An unusual occurrence of pleomorphic adenoma involving the buccal minor salivary gland: a case report and literature review, Rajkumar K, Singh AS, Perumal CJ, Hainsworth M, 236

**Buccal projection**
Minimally invasive management of a labial talon cusp: clinical review and case report, Potgieter N, Middleton I, Davidson C, 491
Burnt murder victim
Forensic dental identification of a burnt murder victim, Phillips VM, 496

Caries
A comparative analysis of traditional dental screening versus teledentistry screening, Bissessur S, Naidoo S, 19

Oral health status among Nyaope users at drug rehabilitation clinics in Johannesburg, Tetarwal A, Yengopal V, Munshi IE, Meel R, 13

Case report
Age estimation of the skeletal remains of a child, Phillips VM, 323

An unusual occurrence of pleomorphic adenoma involving the buccal minor salivary gland: a case report and literature review, Rajkumar K, Singh AS, Perumal CJ, Hainsworth M, 236

Bite mark analysis in a case of child abuse, Phillips VM, Avelino D, 452

Chronic suppurative osteomyelitis of the maxilla: a rare case presentation, Karpagavalli S, Vaishnavi Vedam VK, Sivadas G, Sathish S, Kalaivani VN, Sushmita Naidu S, 126

Endodontic management of an unidentified foreign body in a maxillary central incisor of an HIV-positive patient, Jonker CH, van der Vyver PJ, 325

Endodontic treatment of a maxillary second premolar with three roots and three root canals, Bookhan V, Buchanan GD, Vally ZI, 571

Errors in root canal preparation: a review of the literature and clinical case reports, Van der Vyver PJ, Vorster M, Paleker F, de Wet FA, 246

Forensic dental identification of a burnt murder victim, Phillips VM, 496

Glide path preparation in endodontics: case report and a literature review of available materials and techniques, Van der Vyver PJ, Vorster M, Paleker F, de Wet FA, 129

Minimally invasive management of a labial talon cusp: clinical review and case report, Potgieter N, Middleton I, Davidson C, 491

Oral Medicine Case Book: an intra-oral solitary schwan-noma of the lower lip, a rare diagnosis, Abrahams G, Peck MT, Stephen LXG, Opperman J, 448

Prosthodontic rehabilitation in an elderly patient with a hemi-maxillectomy defect, Mothopi-Peri MM, Howes DG, Owen OP, 445

Radiographic assessment of multiple pathoses and dental malocclusion: a case study, Soni V, Buch B, Kotsane D, 123

Root canal preparation: a literature review and clinical case reports of available materials and techniques, Van der Vyver PJ, Vorster M, Paleker F, de Wet FA, 187

The mandibular anterior repositioning appliance (MARA), Weber JH, Botha P, Dawjee SH, 561

Treatment of thumb-sucking habit using a fixed tongue crib appliance: a case report and literature review, Reddy D, Dawjee SM, 239

Unusual intraorbital foreign body impactions: a case report, Mohothoane GP, Mabongo M, 32

Case series
Comparing clinical outcomes of connective tissue grafts to platelet rich fibrin in gingival recession treatment: an extended case series, Peer F, Mohangi GU, 538

Glandular odontogenic cyst: case series and summary of the literature, Opondo F, Shaik S, Opperman J, Nortjé CJ, 502

Cemento-osseous dysplasia
Cemento-osseous dysplasia: a diagnostic challenge, Noffke CEE, Raubenheimer EJ, Peranovic V, 200

Cephalometric analysis
Cephalometric analysis: manual tracing of a lateral cephalogram, Hlongwa P, 318, 389

Cephalometric norms
Applicability of the McNamara analysis in a sample of adult Black South Africans, Wanjau J, Khan MI, Sethusa MPS, 87

Ceramic post crown
Endodontic treatment of a maxillary second premolar with three roots and three root canals, Bookhan V, Buchanan GD, Vally ZI, 571

Chairperson’s message
A message from the newly elected chairperson of the board, Putter R, 164

Child
Age estimation of the skeletal remains of a child, Phillips VM, 323

Child abuse
Bite mark analysis in a case of child abuse, Phillips VM, Avelino D, 452

Children
Dental status of children receiving school oral health services in Tshwane, Molete MM, Igumbor J, Stewart A, Yengopal V, 171

The epidemiology and management of traumatic facial fractures in children seen in a tertiary hospital in Johannesburg, South Africa, Fouche G, Mabongo M, 358
Chlorhexidine
Comparison of efficiency of ozone and chlorhexidine subgingival irrigation in orthodontic patients for controlling gingival inflammation, Sandra VKV, Nagireddy RR, Nooney A, Nadhamuni M, 82
The antibacterial effect of herbal alternatives, Triphala and Tumeric, on Enterococcus faecalis: an in-vitro study, Brar R, Goel M, Arora KS, Gupta KD, Sethi PA, Mankel H, 293
The importance of preventative maintenance in implant therapy, Yengopal V, 396
The use of immersive virtual reality for pain control in dentistry, Yengopal V, 329
Tooth crown discoloration induced by endodontic sealers: a 3-year evaluation, Yengopal V, 255

Comparative analysis
A comparative analysis of traditional dental screening versus teledentistry screening, Bissessur S, Naidoo S, 19
Comparison
Comparison of efficiency of ozone and chlorhexidine subgingival irrigation in orthodontic patients for controlling gingival inflammation, Sandra VKV, Nagireddy RR, Nooney A, Nadhamuni M, 82
Comparison of two light guide tips used to photo-polymerize two dental composites: an in-vitro study, Bookhan V, Arnold S, Dannheimer MFG, Ballyram R, 67

Compliance
Labelling of fluoridated toothpaste in South Africa, Vorster LR, Naidoo S, 74

Chronic supplicative osteomyelitis
Chronic supplicative osteomyelitis of the maxilla: a rare case presentation, Karpagavalli S, Vaishnavi Vedam VK, Sivadas G, Sathish S, Kalaivani VN, Sushmita Naidu S, 126

Cleft palate neonates
Introducing the alveolar moulding obturator (AMO): an appliance for the early management of cleft palate neonates, Dawjee SM, Dawjee MM, 141

Clinical dental technologist
Denturism (clinical dental technology), Owen CP, 575

Clinical outcomes
Comparing clinical outcomes of connective tissue grafts to platelet rich fibrin in gingival recession treatment: an extended case series, Peer F, Mohangi GU, 538
Outcomes of mandibular Kennedy Class I and II prosthetic rehabilitation, Chamoko J, Khan S, 549

Clinical window
What's new for the clinician? Summaries of and excerpts from recently published papers
